Dear Mr. Alessi,

On behalf of the Children's Dream Fund and the families we serve, thank you so much for supporting our first Clays for Kids tournament on October 5th. It was a fun afternoon filled with good friends, spirited competition, and great food.

With your help, we raised over \$26,000 to make dreams come true for seriously-ill children in the months ahead! This wouldn't be possible without the partnership from corporations and individuals who invest in our organization.

We greatly appreciate your In-kind donation of 200 custom made CDF Logo cookies for our event. These amazing cookies were a special treat for all the participants.

We are grateful for your support.

Sincerely,

Cynthia Lake Farrell
