Dear Phil,

I just wanted to take a moment to say thank you for your outstanding and generous support of this year's *Celebration of the Arts* and *Taste at Jesuit*. We had almost 400 guests enjoy your delicious Cuban rolls as the Jesuit Dads' Club grilled sausages with peppers and onions.

Thank you once again for all your loyal support, Phil! Events such as *Celebration of the Arts*, emphasize the diversity of a Jesuit education, and your support will keep this event strong into the future.

Please let me know if you have any questions or concerns.

With much appreciation,

Jane Younger
